Index of
SURVEYING AND MAPPING, Volume 41

This index includes all principal articles and all news items, shorts, as well as the subjects carried under each of the departments that were published in Volume 41 (1981) of SURVEYING AND MAPPING. The principal articles are indexed by subject and author; other items by subject with author and with commenter or reviewer as applicable. For the convenience of persons referring to unbound numbers of the Journal, the number of the issue has been included after the volume number in order to avoid the necessity of referring to the following table. The issues published in 1981 are as follows:

March	pages 1-102, i-x	No. 1
June	pages 103-254	No. 2
September	pages 255-350	No. 3
December	pages 351-446	No. 4
